

Communication of 28th December 2011

Unavailability of the Italian EDI – STD systems (Servizio Telematico Doganale) during 5th January 2012

Due to a scheduled update of IT System AIDA, the Italian EDI – STD systems (Servizio Telematico Doganale) is **not available 5th January 2012, from 06:00 till 11:00, local time**, for the following declarations/messages: “B1”, “B3”; “B3 TIR”; “B7”, “B9”, “NE”, “NB”, “ENS”, “RENS”, “DIV”, “EXS”, “REXS”, “AP” e “RETAP”.

So that, the traders, or their representatives, will not be able to transmit ICS and ECS messages in the time window above mentioned.
